

### Arctic Synthesis Teleconference Summary

A teleconference was held on Feb. 3, 2012 to provide information about the request for proposals for Arctic data synthesis and research needs that was released by the North Pacific Marine Research Institute on Jan. 9, 2012. A summary of the RFP was presented, followed by a question and answer session. Those interested in submitting a proposal who were not able to join the teleconference are advised to listen to the audio recording of the call (57 min. in duration) that may be found on the project website (<http://arctic.nprb.org/>).

A total of 56 people participated and the list of participants (including name, affiliation, and e-mail address) is available on the website for the project (<http://arctic.nprb.org/>). Interested parties who were not able to join the teleconference but would like to be listed in order to facilitate collaborative opportunities may send an e-mail to Danielle Dickson ([Danielle.Dickson@nprb.org](mailto:Danielle.Dickson@nprb.org)). Additionally, anyone who would like to add information about their area of expertise to the contact list is welcome to e-mail Danielle.
